MIDDLETON'S BOYS VOLLEYBALL TEAM WINS STATE

MUKWONAGO

continued from page 11

off an ace.

Then on match point, Johnson and McGee combined on a block kill to give Middleton the first set.

"We try to be as consistent as possible in all phases of the game, and you know, for us, it's the serve and pass game," Griffith said. "You know, when we're on, and on our from the service line, it just makes the rest of the game easier. When you put enough pressure on the other team, it opens up some things on the offensive side of the ball and makes things a little bit more predictable when we're playing defense."

There were nine ties and four lead changes during the second set. But the Cardinals used a 6-1 run to grab a 21-15 lead to eventually pull away.

McGee, Johnson and Goldbeck all had kills in that stretch as Colgan continually did yeoman's working spreading the wealth to his bevy of targets.

"I thought we played hard, but they just had a lot of momentum going through each set, and our guys tried to battle back, but it's just that's a big hill to climb against a team like that," Mukwonago's Kopesky said of Middleton. "They might get down a little bit, but then they come back and they just know how to come back from these situations.

"So I give them a lot of credit. They played great. They deserved it."

The third set was knotted, 9-9, when Middleton embarked on a 7-1 run and grabbed a commanding 16-10 lead. Johnson, Dailey and Goldbeck all had kills in that stretch, and the Indians had four attack errors.

Mukwonago battled back within 23-20, but Johnson had a kill, and on match point, the Indians had a service error.

"They're a really good team," Griffith said of Mukwonago. "So just really happy of our response."

Middleton brought back just two regulars from its 2025 state championship team — Johnson and Gehrke. But when Griffith had them write down their goals back in August, they all had the same response — another state championship.

Saying that is one thing. Doing it is another.

Amazingly, the Cardinals haven't missed a beat. And after disposing of Mukwonago in just 69 minutes, they were on the brink of a third state championship in four years.

"I knew we had the most talent in the state if we just play our game," King said. "If we're consistent over the whole season we'll win. I don't think any team can beat us when we're playing our best."

Colgan agreed.

"I mean coming into a new team and learning that they won state last year, it was very exciting," Colgan said. "But after being on the team, it was just like I know we have a good coach, and seeing how we play, just seeing how we can fight from being down so much in a set and still win, it gives me the confidence that I think we can definitely win the state championship."

Griffith felt that way from Day One.

He knew that despite heavy graduation losses, the program was loaded with talent. And that's just how the Cardinals have played, putting together winning streaks of 13, 11 and 10 matches during another magical season.

"These guys have been very impressive this year," Griffith said. "Obviously, we want to achieve what we're able to achieve, but these guys have very, very high standards for themselves.

"So we knew going in that (a state title) is the goal, and we knew that we were going to have to work for it. So these guys have put in the work, and now we're here in the (championship) match, and we've got one more to go."
